

Woodbrook Early Education

A ministry of Woodbrook Baptist Church

Dear Families,

We had a wonderful first month of the school year. We are starting to see our friends laugh and play together more and more each day. We are getting settled into our new routines and most are beginning to realize that school is fun and that they always get to go home at the end of the day. This has been a huge adjustment for some of our friends. Many have spent the majority of their short lives at home with family almost 100% of the time. Of course, it will take time to trust new people and know that they will care for and love you when your family isn't with you for the day.

We are ready for fall! Cooler weather brings with it the need for jackets. Remember it can still be cold in the morning and very warm in the afternoon. Layers are often your best solution during this transitional weather. Be sure to check the extra clothes in your child's backpack so that they are seasonal.

Fall is such a wonderful time to explore the world around you. So much of this can be enjoyed outside as a family. We encourage you to take walks outside and look for signs of fall and the seasons changing. It is fun to visit a local farm and go apple picking or choose your pumpkin together for Halloween. We have attached some local farms that you could visit. If you plan to visit, please check their information on the best times to visit.

WOODBROOK
EARLY EDUCATION CENTER

Many of our friends are adjusting to doing things more independently. This can be exciting for some children and for others, very scary. We want to encourage our friends to try things even when they seem hard or that they can't do it yet. Yet is a very important word. Yet just means we are still working on it and that is OK!

You can help your child be successful at school by encouraging them to try things at home. This will be different for each child. Some may be working on putting on shoes independently. Others may be potty training. We want to encourage you to take the time to let your child attempt to do things for him/herself. We know that sometimes as adults we are hurrying from one thing to the next but it is incredibly important for them to be included and involved in what is happening. This is how they learn best- by doing! If they have trouble, say it's okay, remind them there are things you can't do yet or that are hard for you but that you keep trying. Take time to celebrate their successes when they do things independently as well. While the process takes time, it is so rewarding to see their pride when they can do!

Thank you for allowing us to partner in helping your child grow and learn!

With love,
Angela

RED Room

Your children are amazing! In the month of September your children learned new routines, met new friends in the classroom, and welcomed us as their new caregivers. Most of our friends have adjusted to their new learning experience. We have only a few tears in the classroom and they are gradually disappearing.

We started our year with a two week unit on "School Friends". We practiced learning to share, taking turns, and playing alongside others our age. We also worked on colors, numbers, and recognizing our names. We especially worked on the color "red" and counting to "three". As the year continues we will introduce shapes, patterns, etc. with our prior concepts. We will introduce these concepts by playing games individually and as a group.

The last two weeks of September were spent on our "Farm" unit. We worked on the names and sounds of various farm animals, where they live on the farm, and how they help people. We also learned about some things that grow on the farm.

Each month we will introduce a new month song using the same tune. With each song the children will learn several "sign language" signals. Each week throughout the year the children will be having specials (Art with Ms. Carol, Science with Ms. Dawn, Music with Ms. Claire).

When we return to school we will review National Fire Safety Week. We will be learning about the jobs of fire fighters and how they help people. We will also talk about the equipment they use as well as their uniforms. We will learn the difference between "hard" (helmets) and "soft" (hats), "hot" (really just warm) and "cold" and learn how to create the color "orange" by mixing yellow and red paint together.

Next we will explore the beautiful season of "Fall". We will learn what happens to the trees and nature in the Autumn as well as how the animals prepare for the season of winter. During this two week unit we will continue to work on our counting skills. Our last unit of the month will be on "Community Helpers". We will be learning about the various people in the neighborhood who help us, and we will talk about their special jobs. During this week we will also be celebrating our first in-house event, our "Fall Fun Fest". We will be doing several activities that week to welcome to season of Fall. More details will be coming out about the exciting week.

**Happy October
Birthday to:**

Olivia on 10/7

Leeland on 10/9

Ms. Stacey on
10/19

We continue to look forward to continuing to teach your precious children and thank you for allowing us to be a part of their lives.

Love, Ms. Stacey, Ms. Karen, Ms. Sharon, Ms. Barb

Who is in the **RED ROOM?**

Karen Mann- This is Ms. Karen's 29th year at the WEE Center. She started teaching when her youngest child was 2 years old and never left! She enjoys working in a Christian school where everyone is so supportive of one another. She also loves helping the children grow and develop new skills. Your children are so amazing and so very precious! She now works part time in the Red Room. On her days off she and her husband of 42 years (Jeff) watch their grandchildren. They have 11! One of her grandchildren is attending school at WEE. On weekends she likes to go to the grandchildren's recreation games. She also enjoys family gatherings and going to the beach in the summer. Her other hobbies are reading and cross stitching. When asked to describe herself, Ms. Karen says she is "a worker"

**Something you might not know about Ms. Karen—she was a parole and probation Agent for 3 1/2 years before she had children!

Stacey Rock Baskin: This is Ms. Stacey's 2nd year back at WEE. She previously worked here for 10 years before moving away. She is married and has a 21 year old son who is a WEE School graduate. Some of her favorite things are the Ravens and Dave Matthews Band. She grew up in Baltimore, but her sister lives in England. Ms. Stacey rode horses when she was younger, and was in the marching and jazz band (she played the flute and saxophone). She loves the snow and cooking. Ms. Stacey says she absolutely loves the joy the being around children every day brings!

**Something you might not know about Ms. Stacey is that she lived in Hawaii for one year.

Who is in the **RED ROOM?**

Barb Gross-Ms. Barb is a lifetime Woodbrook Baptist Church member, a WEE staff member since 1990 (this is her 31st year!), and has taught each age group. She feels "that each child may grow to be a leader! She teaches kindness, acceptance, and peaceful living to our littles because they are our future!" Ms. Barb loves to garden, read, and do projects around the house. She is the mother of two and a grandmother of three. "My happy place is wherever the sun is!" She describes herself as an initiator and efficient worker.

**Something you may not know about Ms. Barb is that she is planning to raise bees.

Sharon Garvin-This is Ms. Sharon's 4th year at the WEE Center. She has an AA degree in early childhood development. She has spent most of her adult life raising her 6 children, as well as providing daycare to 1-2 other children at a time. Her oldest is 30, so approximately 26+ years have been spent taking care of children. She is an avid runner and cyclist. She also enjoys cooking, reading and gardening.

**Something you might not know about Ms. Sharon is that she has completed 3 half Ironman Triathlons and hopes to do another one.

YELLOW Room

September flew by! The children have really adjusted well to the routine in the Yellow Room. We started the month off getting to know our friends and teachers. They are doing a great job sitting in circle. They love to sing. When we return to school we will review the importance of Fire Safety. We will practice how to Stop, Drop and Roll if our clothes should catch on fire. We will be practicing the rhyme "Don't hide go outside" if we ever see a fire. Then we will be learning about the farm. We will have fun milking a pretend cow and turning the milk into butter. Our apple unit will be next. We will be tasting and graphing our favorite apples. We will be making a lot of apple art. We will also be talking about Fall and all the changes God brings about. We will be going on nature walks as we look for signs of Fall. Throughout the month we will continue to work on our letter of the week, scissors skills and numbers. The children have really enjoyed the Bible stories. It's been a great start to the year.

Happy September Birthday to Malcolm (9/28), and Happy October Birthday to William (10/9), Bennett (10/23), and Daani (10/27)!

Thank you for sharing your wonderful children with us!

Happy Fall!

Love, Ms. Bev, Ms. Jordan, Ms. Sara and Ms. Young

Who is in the **YELLOW ROOM?**

Bev Cvach: This is Ms. Bev's 38th year teaching and her 31st year at the WEE Center. She has taught 2-s and 3's while at the WEE Center. Ms. Bev and her husband Paul have been married for 46 years and they have 3 children. She has 9 grandchildren, 5 of which have graduated from WEE and 2 are still attending. Ms. Bev loves to travel and enjoys working outside in the yard. Ms. Bev's favorite place to vacation is Ocean City, If Ms. Bev had not been a teacher she would have become a missionary. Ms. Bev says she looks forward to going to WEE because it feels like an extended family.

**Something you might not know about Ms. Bev is that her youngest daughter was in her first class at WEE!

Jordan Parker: Ms. Jordan is excited to be in her 2nd year at the WEE Center as a Yellow Room teacher. She has been a teacher for 7 years and is a new mommy to her son Jace and has a daughter, Aniyah, who is in 2nd Grade. Ms. Jordan grew up in Baltimore. When she is not at school she enjoys spending time with family and friends. Her favorite store is Target and she loves Disney. Ms. Jordan is in her 3rd year of college at Walden University and she is excited to be almost finished.

**Something you may not know about Ms. Jordan is that she loves tacos!

Who is in the **YELLOW ROOM?**

Ms. Sara: This is Ms. Sara's 1st year teaching at the WEE Center. She is engaged to her fiancé Eric. Together they have a blended family of 5 children ages, 17, 14, 12, 10, and 5—all boys! Ms. Sara has a professional background in Administration and Marketing, but decided to change direction when Covid downsized her company. She has always worked with children, volunteering in her children's classrooms since they were 2 years old, and homeschooling her two older boys when they were in preschool and 1st Grade. She is very excited to be a part of the WEE Center!

- **Something you may not know about Ms. Sara is that she
- taught herself how to play the guitar and learned to swing dance
- a few years ago. Also her son, Easton, is in the pre-K class at WEE this year!

Ms. Young: Ms. Young returns to the WEE Center as a Yellow Room teacher after taking a few years off to raise her two sons. Both are WEE Center graduates and now are in high school and college. Her youngest is a sophomore at Carver and her oldest son is a freshman at University of Maryland College Park. She is thrilled to be back at WEE and loves to see all of the progress the children are making.

**Something you may not know about Ms. Young is that she is really good at crafts, especially origami.

Blue Room

Happy October! Our 1st month of school was great! The children quickly learned the classroom routines and are great listeners. We introduced the calendar and are working on a letter of the alphabet each week.

When we return to school we will review Fire Safety and enjoy apple activities, including tasting. We will talk about Nursery Rhymes and then the Discovery of Fall. This month we are practicing hand washing, putting on our socks and shoes by ourselves, and our manners such as, "please", "thank you", and "excuse me". Some of the skills we have been working on include scissor control, gluing, and how to hold a pencil. The children also enjoy counting, singing, and dancing. At the end of the month we will celebrate fall with our annual Fall Fun Fest.

Happy Birthday to Miles on 9/5, Bennett on 10/2, Enzo on 10/18, Scout on 10/21, Nora on 10/23,

Thank you for giving us the opportunity to teach your children.
We are so excited to see how they grow this year!

Love, Ms. Celina, Ms. Dominique, Ms. Marsha, and Ms. Sierra

Who Is In the Blue Room?

Ms. Sierra: This is Ms. Sierra 9th year of teaching and her first year at WEE. She has taught ages 6 months to high school art. She earned her Bachelor's and Master's Degrees from the College of Notre Dame of Maryland (now known as Notre Dame of Maryland University). She is so excited to teach her new little friends at the WEE Center in the Blue room class. She is a Baltimore native and loves the arts (visual art, theater, music, and dance). She loves to travel all over, from Yokosuka, Japan to London, England. She just can't wait to go on her next adventure!

***Something you might not know about Ms. Sierra is that she loves shopping at Target.

Ms. Dominique: Ms. Dominique is from Baltimore (more specifically Towson). She grew up in the Towson area and loved every moment of it. While this 2021-2022 school year will be her 1st year at the WEE Center, this will be her 7th year teaching. She has been with children for as long as she can remember. She started with babysitting and her love for children grew from there. She has worked in multiple school settings from being in a before and after care program for school aged children, a Pre-K teacher, and more recently, 3 year olds. She started her schooling at CCBC pursuing her AA degree in Early Childhood Education and that's when she knew her passion is teaching. When she is not teaching she loves to paint. She looks forward to her career at the WEE Center and hopes to learn from the children as they learn from her.

**Something you might not know about Ms. Dominique is that she has two dogs named Xena and Aspen.

Who Is In the Blue Room?

Ms. Celina: This is Ms. Celina's 1st year teaching at the WEE Center. She loves working with children and is so excited to be working part time in the Blue Room! Ms. Celina received her Bachelor's Degree in Mass Communication and Master's Degree in Human Resource Development from Towson University. She decided to become a teacher after volunteering in her son's Preschool classroom and homeschooling him for Kindergarten. Ms. Celina enjoys gardening, cooking, baking, going to the beach and any fun outdoor activity.

**Something you may not know about Ms. Celina is that she grows her own flowers from seeds!

Ms. Marsha: This is Ms. Marsha's 30th year teaching and her 23rd year at the WEE Center. She has been married to her husband, Tim for 39 years and they have two children, Samantha (28) and Matthew (24). Samantha is married and is a reading specialist with BCPS, while Matthew works at for UPS. Tim is just 15 months from retiring and he is counting down the days! Her favorite thing is cooking for her crew on weekly family dinner nights. She also enjoys travelling and reading, and she loves the beach especially when her whole family goes. Ms. Marsha says "The warm friendly Christian atmosphere is the reason I love the WEE Center"

**Something you might not know about Ms. Marsha is that she is a trivia person. Her family says she is a wealth of useless information lol!!

Green Room

Hello Parents,

The Green Room friends have done a terrific job during the month of September! We have really enjoyed getting to know each other and becoming friends. The children are becoming familiar with the daily routine, schedule, school and classroom rules.

The children are also learning how to be a Super Friend! A Super Friend is someone who is kind, uses nice words, uses gentle hands and feet, shares toys, takes turns, and listens. You may follow your child's progress on the DoJo App. When your child earns 10 points for positive behavior, he/she will earn a prize from the teacher's prize box!

During the month of September, the children have enjoyed the themes of: Welcome to School, All About Me, the Five Senses, Families, Apples, the Alphabet, and Colors. Some of the highlights of the activities were: our nature walk with our own binoculars and tasting and charting apples. Our favorite book this month was Chicka, Chicka, Boom, Boom.

The children were very interested in the Bible stories of: God's Creations and Noah's Ark. We learned that God made each one of us and loves us. We also learned that God protected Noah and his family and all of the animals.

We have exciting themes coming in the month of October! We will begin the month with a Farm theme. We will learn about animals on a farm, barns, crops, and tractors. Then we will focus on the season of Fall or Autumn. We will enjoy activities about leaves, pumpkins, and the harvest. Finally, we will conclude the month learning about Community Helpers. In the past, a favorite event is when the firefighters come for a visit!

Pre-Reading/Literacy:

The letters that we will study during October will be: Ff, Ee, Hh, and Vv. The children will also be introduced to initial sounds in words and action words. In addition, the children will be exposed to rhyming words.

Math Skills and Concepts:

The children will be learning more AB patterns on the calendar. We will also introduce the children to the Ten Frame. (More information about this concept will be in the daily WEE Notes.) Another fun math activity that Pre-K children enjoy are: The Number Buddies. These special buddies will help the children understand the different ways numbers are used in daily life.

Please feel free to contact us with any questions or concerns. Thank you for your support and encouragement! We love teaching your children!

Happy Birthday to Kate on 9/12 and Ellie on 9/18!

With God's Blessings,
Ms. Betsy and Ms. Carol

Who Is In The Green Room

Betsy Walker: Ms. Betsy has been teaching in private or Christian schools for 28 years. She has taught preschool through eighth grade. Ms. Betsy loves teaching pre-k children because they are so joyful and eager to learn. When Ms. Betsy is not teaching, she enjoys spending time with her family, reading, traveling, and swimming. We are thrilled to have Ms. Betsy back for her 2nd year at WEE.

**Something you may not know about Ms. Betsy is that she has traveled to most of the 50 states, except Hawaii and Alaska, but she hopes to visit those states too!

● **Carol Anstett:** Ms. Carol received her BFA from the Rochester Institute of Technology. For several years she worked as a freelance photographer. Today she still shoots but mostly focuses on family portraiture. For the last 12 years she also taught art classes for Abrakadoodle. Through Abrakadoodle she taught art to children from ages 2-14. While teaching art she discovered that she loved teaching Pre-K the most and is very excited to now have the opportunity to teach in a Pre-K classroom full time. Carol has three children of her own, Nic, 28, Will, 25, and Lucy 18. She enjoys spending her free time hiking with her two Labradoodles, Maxx and Finn. We are so excited to have you here Ms. Carol for your 2nd year at WEE!

**Something you may not know about Carol is that she has 5 pet chickens.

Purple Room

Happy October Purple Room Families! September was a very busy month as we all got used to being together and becoming friends. The children have been working very hard and have acclimated to becoming Pre-K students very well!

We worked on letters "Ll", "Tt", and "Ii", learning the sound each makes, how to write it correctly, coloring pages that start with the letter sounds, and listening poems that have lots of words that begin with each sound. We are learning to recognize our first names written on many different things in our room, did lots of creative play during center time, learned new fingerplays/songs/prayers, developed our classroom rules, and learned a lot about apples!

During October we will continue to learn more letter sounds. By emphasizing the beginning sounds of words (for example: lollipop, dog, milk, or flag) you can help your child make the connection. Our October letters are: "Ff", "Ee", "Hh", "Vv", and "Ww". We will enjoy studying fall, pumpkins, leaves, fire safety, and community helpers.

We are also practicing writing our first names with a capital letter at the beginning and the rest of the letters as lower case. When you practice name writing at home, please have your child write his/her name this way.

Thank you for entrusting us each day with your child. They are an absolutely precious gift who make us very proud each day, and bring many smiles to our faces.

Happy Birthday to Olive on 9/9 and Easton on 9/20!

Love, Ms. Stacie and Mr. Nate

Who Is In The Purple Room

Stacie Handley: This is Ms. Stacie's 1st year at the WEE Center, but she has been in early childhood classrooms for 21 years! Ms. Stacie graduated from the University of Maryland, Baltimore County (UMBC) with a BA in Psychology and Early Childhood Education. She has always worked with children ages 3-6, and was in Baltimore Archdiocesan schools for 19 years. She will be married for 20 years in January, to her husband Kurt. They have two daughters, Emma (a freshman in college) and Anna (a junior in high school), who are her heart. Ms. Stacie recently had to say goodbye to her sweet Golden Retriever, Rosie, who was about 14 years young. Thankfully she still has her sweet Wynnie, who is an (approximately) 8-year-old Pit Bull (who is just the cutest). Ms. Stacie enjoys her tap class, reading, Netflix, and watching her daughter, Anna, dance. She loves the beach, and most especially loves dogs! Ms. Stacie does not like spiders, heights, or snow! Ms. Stacie is beyond excited to be a part of the WEE Center family.

Mr. Nate: This is Mr. Nate's second year at the WEE Center, after having worked in child care for many years at the Rodgers Forge Early Learning Center, the YMCA, and Little Friends. He truly loves working with children. In the Purple Room he has started doing "Natercise" with the children and he loves to get them moving! When he is not at school (which is not often as he works Before Care and After Care too), he is a DJ and music producer.. Mr. Nate grew up in Baltimore and is 36 years old, but the children love to call him a dinosaur! He is a newbie to Ocean City, MD (what?!?!), has four brothers, thinks cats are weird, loves his mom, and is a great dancer. Mr. Nate has a lot of energy! His favorite song is "I'm A Survivor" by Destiny's Child, the Bulls are his favorite basketball team, and his favorite football team is the Tampa Bay Buccaneers, followed by the Ravens of course. The WEE Center is very blessed to have Mr. Nate and the happiness and fun he brings every day.

Art

We have had a great start in art so far this year. The children loved learning about the French Impressionist painters Georges Seurat and Claude Monet. In October we are going to learn about Frida Kahlo for Hispanic Heritage month as well as doing some fun fall projects in both 2D and 3D!

~Ms. Carol

Music & Movement

We began Music/Movement in our first week of school. The children are having fun learning songs about September and the beginning of Fall/Autumn. We also had fun singing with numbers, the alphabet, and movement. We used scarves to dance, flags to march to Patriotic songs and seasonal props to enrich the songs of Fall. In October, we will continue songs of Fall as well as Halloween. Each month we will focus on a specific patriotic song and celebrating any holiday.

Why do we teach Music/Movement? There are so many skills that are taught during this time: listening, following directions, and learning vocabulary (language); learning rhythm (sensory); improve coordination (physical); and increase memory (intellectual). Plus--IT'S FUN!

~Ms. Claire

Science

Our scientists are enjoying exploring. We have begun to look at various tools that scientist use, magnifying glasses, pipettes, test tubes and tweezers have started our list. We are using our words to describe what we see and Pre-K friends are documenting in their journals after each experiment. Our red room friends have been watching experiments and reacting with great joy.

In October we will begin to look at states of matter. We will start with Liquids and have lots of fun discovering things about liquids.

~Ms. Dawn

science and Music

Dawn Baker: Ms. Dawn has been at the WEE Center for 24 years, 21 years of which she spent directing. This year is her 38th year teaching. She has also been an adjunct professor at CCBC for 10 years, a teacher trainer and a science teacher- my favorite of all those jobs. I love working with the folks at wee center because the most important thing to each and every one who works there is the children. We work to give them a strong foundation to go in their school journey and if they like learning, it will follow them their whole lives.

****Something you might not know about Ms. Dawn is that she loves animals and has a cat named Jethro Gibbs (from NCIS). She also won a typing contest in high school by typing 100 words per minute with only 3 mistakes.**

Claire Nolan: This is Ms. Claire's 39th year teaching and her 32nd year at the WEE Center. She has taught children from infancy to First Grade. Ms. Claire is an avid quilter and scrap booker. She also loves the process of taking photos for scrapbooks. Ms. Claire has 3 children, with one son and daughter-in-law living close by in Anne Arundel County. Her favorite places to visit are Louisiana where her other son, daughter-in-law and granddaughter live, and Arizona, where her daughter, son-in-law, granddaughter, and grandson live. She comes from a large family and she is one of 6 children. She says that "she enjoys doing art and music and sharing God's love with the children". In one word, Ms. Claire would describe herself as creative.

****Something you might not now about Ms. Claire is that she starting cooking dinner, Monday- Friday when she was 9 years old. She also loves snow almost as much as the color purple!**

Who Is In The Office?

Angela Peterson - This is Ms. Angela's 11th year teaching and she was a director of a Baltimore County childcare center for 5 years. This is her 9th year at the WEE Center. Angela's favorite things to do are read, binge watch shows on Netflix and go to the beach. She was born in North Carolina and lived most of her life in Richmond, Virginia. She describes herself as "caring: She said "I love the family feeling we provide our children and families here at the WEE Center".

**Something you might not know about Ms. Angela, she went to an all women's college and met her husband at a ballroom dancing class.

Elise DeFilippis: This is Ms. Elise's 9th year at the WEE Center. She obtained her Bachelor's Degree in Social Work and her Masters of Science Degree in Human Service Management in Special Education from Western Maryland College. She has taught children from 3-9 years old, was a social worker in a special education setting, a behavior interventionist at Kennedy Krieger/The LEAP School, and was a Service Coordinator for children receiving Autism Waiver Services in Maryland. Elise loves to travel, watch movies and read. Her favorite place to vacation is Bethany Beach. She loves to laugh and easily cracks herself up...you can hear her happy laugh all over the building. Elise says that the WEE Center "feels like home". She describes herself with one word "laughter".

**Something you might not know about Ms. Elise is that she volunteered in a Romanian orphanage in 1999 and 2000 and she went skydiving in 1997! This year she pulled a 757 jet to raise money for Multiple Sclerosis!

BOX TOPS

Please save your Box Tops. You can give them to Ms. Angela or Ms. Elise at the door or you can send them in to the teachers in your child's folder. You can also download the Box Tops app on your Smart Phone and choose Woodbrook Early Education Center as the school. This is an easy way to help raise money for the WEE Center. Also, if you shop at Shoprite, be sure to register your Price Club Card as we get additional money when you buy participating General Mills products.

If you still need labels try Mabel's Labels! Type in www.campaigns.mabelslabels.com and search in the box on the right hand side that support a fundraiser.

Find Woodbrook Early Education Center and enjoy shopping!

Dates to Remember

Fall Pictures: Dates To Be Determined

Fall Class Parties and Activities: Week of October 26th

Upcoming Dates in November

WEE Closed-Parent/Teacher Conferences: Thursday, November 5

Thankful Event: Tuesday, November 23 (stay tuned for specifics)

WEE Closed for Thanksgiving Break: Wed/Thu/Fri, November 24-26
